There is no need to upload any documents for the “Exchange Programmes Language Exam” held by the School of Foreign Languages (YDYO)

- Evaluation Criteria

The achievement score will be calculated as the academic grade point average (gpa) 50% + Language Exam Score 50%.

- Students who fulfill the minimum requirements will be able to waive financial support if they are in substitute list and will be able to participate in mobility according to our quotas, if they wish.
- Selected students who change their minds about attending Erasmus+ Learning Mobility,

Erasmus+

must submit a petition for waiver by March 21st, 2022. Otherwise, **10 points will be decreased** from overall score of their next applications.

- **10 points will be decreased** from the overall score of the students for each previous participation of the Erasmus+ Learning and Traineeship Mobility projects in the same study cycle.
- **10 points will be added** to the the overall score of the students with special needs on the condition that they submit their documents showing their status during the application period.
- **15 points will be added** to the overall score of the students who are the children or wife of martyries and veterans on the condition that they submit their documents showing their status during application period.
- Within the scope of the Social Services Law No. 2828 and Child Protection Law No. 5395 **10 points will be added** to to the overall score of the students who have been decided to be protected, cared or sheltered, on condition that they submit their documents showing their status during application period.
- **10 points will be decreased** from the overall score of the students who have applied for Karabuk University Erasmus+ Traineeship Mobility and Gazi Consortium Erasmus+ Traineeship Mobility between 17th December 2021 – 31st December 2021 and selected as erasmus students (or substitutes).
- Erasmus+ Learning Mobility is limited to a minimum of 2 and a maximum of 12 months. It is especially important for our students who have previously participated in the Erasmus + Learning or Traineeship Mobility to consider this period.
- At the next applications (for both learning and internship mobility), **10 points will be decreased** from the overall score of the selected and nominated students who have completed all necessary documentation and procedures if they inform us about their withdrawal from the mobility in the date after which any other students can not be nominated instead of them due to the nomination deadline is over.

- **Monthly Grant Amounts According to Countries**

Students are paid grants to assist students with their additional expenses during their stay abroad. The grants are given merely as a contribution to their costs, it may not cover the full cost of the students' activities. The countries where student mobility activities can be

Erasmus+

carried out are divided into 3 groups according to the level of living expenses and monthly learning and internship mobility grants are determined for these groups.

The groups of countries and the amounts of grants are given in the table below:

Country Groups according to Living Costs	Countries for the Mobility	Montly Grant for Learning Mobility (Euro)
Group 1 and Group 2 Programme Countries	Germany, Austria, Belgium, Denmark, Finland, France, Sourn Cyprus, Netherlands, Ireland, Spain, Sweden, Italy, Iceland, Liechtenstein, Luxembourg, Malta, Norway, Portugal, Greece	600
Group 3 Programme Countries	Bulgaria, Czech Republic, Estonia, Croatia, North Macedonia, Latvia, Lithuania, Hungary, Poland, Romania, Serbia, Slovakia, Slovenia, Turkey	450

There is no additional travel support for students for learning and traineeship mobilities among the programme countries.

• Additional Grant Support for Student/New Graduate Mobility

Additional Grant Support may be provided to disadvantaged participants in addition to the grant they are entitled to. In order to be able to be paid with this grant, the disadvantaged participant is defined as an individual with limited economic and social opportunities and who fits into the following sub-categories.

- 1) Those who are subject to Law No. 2828 (Those who have a protection, care or shelter decision by the Ministry of Family and Social Services pursuant to Law No. 2828)
- 2) Students for whom protection, care or accommodation decision has been taken within the scope of Child Protection Law No. 5395.
- 3) Those who receive an orphan's pension
- 4) Children of Martyrs / Veterans
- 5) Those who are granted a needy pension for themselves or their families (the student, his/her parents or guardians have received financial support from municipalities, public institutions and organizations (Ministry, Social Assistance and Solidarity Foundations, General Directorate of Foundations, Kızılay, AFAD) proving that they have received financial support. At the time of their Erasmus application, the students have to submit the document related to this.)

Credit and Hostels Institution scholarships and similar scholarships, other grants, aids and scholarships in the nature of success scholarships, and one-time aids are not considered within the scope of mentioned financial aid.

Erasmus+

The following amounts of Additional Grant Support can be provided upon their request and depending on the type of mobility to students who meet the above scope, on condition that they document their situation:

Mobility type	Additional Grant Support Amount
2-12 months student mobility	250 € per month

Green Travel Support

If students prefer green travel, an additional one-time grant of 50 Euros and an individual support grant for travel days up to 4 days can be given. The aircraft is not covered by green travel. If the main vehicle, on which the majority of the distance between two points is covered, is a vehicle other than the aircraft, the green travel supplementary grant will be awarded.

Inclusion Support

Erasmus+ Program encourages the participation of the people with special needs in the program. A person with special needs is a potential participant whose personal physical condition, mental state or health condition does not allow them to participate in the project/mobility activity unless there is additional financial support.

If the students with special needs are selected for the program, they will be provided with additional grant support. The additional grant rate cannot exceed the total Erasmus grant to be received. Detailed information about special needs support can be obtained from our Coordinatorship.

ATTENTION! Be sure to have a look at the Erasmus web-pages of the universities you will choose to participate in the activity, and make your choice with knowledge, especially the conditions regarding language proficiency.
