Project description

Quality of project design and cooperation arrangements

Refer to the arrangements and measures that you foresee for the different phases of the mobility project, if any, including:

- The support you can provide to participants before, during and after the mobility period,
- Measures to ensure full recognition for all participants (students and staff), by your institution and your partners,
- And procedures for debriefing participants after mobility.

Details for cooperation

Relevance of the strategy

- ✚ Present your planned project with this region and explain how it is related to your **internationalisation strategy**.
- ✚ You may refer to the specific type(s) of mobility that you plan to organise, the subject areas, as well as any other specific element about the expected cooperation arrangements.
- ✚ Detail your previous experience of cooperation with higher education institutions in these Third countries not associated to the Programme, if any.
- ✚ Explain how you expect that this project will contribute to new cooperation in education and/or research in the region.

Impact and dissemination

- ✓ Explain the desired impact of the mobility project on participants, beneficiaries, international partners and at local, regional and national levels.
- ✓ Describe the measures which will be taken in your cooperation with this region to disseminate the results of the mobility project at faculty and institution levels, and beyond where applicable.
