APPLICATION ANNOUNCEMENT
FACULTY OF ISLAMIC SCIENCES**

A. BASIC INFORMATION

What is Erasmus+ Internship Mobility?

It is the process of receiving vocational training and/or gaining work experience within an enterprise or organization in an EU country. The organizations that will host the internship can be enterprises, training centres, research centres, chambers and associations of commerce, schools, foundations, non-profit organizations, organizations providing career guidance, professional counselling and guidance organizations, higher education institutions and other organizations specified in the Erasmus+ Programme Guide. The internship activity is not expected to be compulsory for the student's diploma program. However, the economic sector in which the internship will take place must be a sector related to the student's current education program. The following organizations are not eligible for the internship activity:

- EU institutions and EU agencies
- Organizations implementing and receiving grants under EU programs (https://europa.eu/european-union/about-eu/institutions-bodies_en)

B. CONDITIONS

1. The student must be a full-time student enrolled at Karabük University at the Faculty of Islamic Sciences.

* Foreign students with YÖK scholarship cannot participate in exchange programs. Students who are enrolled in our university as YTB scholarship holders can participate in Erasmus+ internship mobility outside of the course semesters and during the summer months. Students who will participate in the activity must obtain written consent from the relevant Presidency in order not to be deprived of YTB scholarships.

2. Academic GPA must be 2.50/4.00 for all levels (associate, undergraduate, graduate and doctorate) due to the decision taken by our university.

3. English Language score thresholds;

It must be at least 50 for the Faculty of Islamic Sciences.

C. APPLICATION PROCEDURES

1. Applications will be made online via <https://turnaportal.ua.gov.tr/> login system by logging in with e-government passwords.

2. These 'internship mobility' applications are only for the students of *the Faculty of Islamic Sciences*. Please apply as an internship from the system. Incorrect applications will be considered invalid.

8) Those who themselves or their 1st degree relatives receive disaster victim assistance from AFAD.

*Credit and Dormitories Institution scholarships and similar scholarships, other grants, aids and scholarships in the form of merit scholarships, one-time aids are not accepted within the scope of this financial aid.

Additional Grant Support will be provided in the following amounts according to the type of mobility to students who meet the above scope, upon their request and provided that they document this situation.

Additional Grant Amount Student Mobility: between 2-12 months 250 per month

Green Travel Support

Green travel is the use of public transportation with low carbon emissions. The use of buses, trains and shared cars are included in the scope of green travel. In order to receive green travel support, green travel must be used on the way there and back and more than half of the entire trip must be made using green vehicles.

If students choose green travel, they will receive a one-time green travel support of EUR 50. Airplane is not covered by green travel. If the main means of transportation for the majority of the distance between two points is a vehicle other than an airplane, a green travel supplementary grant will be awarded.

Inclusion Support

The Erasmus+ Programme encourages the participation of people with special needs. A person with special needs is a potential participant whose personal physical, mental or health condition does not allow them to participate in the project/mobility activity without additional financial support.

If students with special needs are selected for the program, they may be provided with additional grant support. Detailed information about special needs support can be obtained from our Coordination Office.
