Erasmus+ Application Steps

How is the Erasmus Success Score Calculated?

Students must have a minimum academic GPA of 2.50/4.00. The Erasmus success score is calculated as 50% academic GPA + 50% language level. Additional points can be awarded based on specified criteria in the announcements.

1 . STEP: English Exam

Participation in the Erasmus Foreign Language (English) Exam, administered only once a year (usually in October–November) by the School of Foreign Languages, is mandatory. Details regarding the Erasmus Language Exam are announced on the School of Foreign Languages' website.

Applications can be made with scores obtained from central examinations conducted by ÖSYM (YDS, e-YDS, YÖKDİL, e-YÖKDİL) or from examinations whose equivalence is accepted by ÖSYM. The validity period of the score is 5 years.

Language Proficiency Score Thresholds

The minimum score is 70 for the Western Languages and Literature, Applied English and Translation Departments; 60 for the Engineering Faculty Departments, International Relations (English) Department and Graduate Education Institute; 70 for Western Languages and Literature (Graduate); and 50 for other Faculties and Vocational Schools.
